How to make the report request

This feature allows you to request any histopathology reports. This is useful once patients moving around among medical centers. The request could be actioned within 1-3 minutes. Below the instruction

1. Open eDoctor by this link as below https://edoctor.linkfinity.com.au/
2. Please click on Report Requests >> Create new request

3. Then fill the patient details and doctor name/location would you like the results to be sent to

4. Then Hit "Agree" and click to Confirm
